WORK EXPERIENCE

IANIT Institute (Pitampura , New Delhi) - New Delhi Intern

Sep 20224- Dec 2024

- Developed and maintained responsive and user-friendly web interfaces using HTML, CSS, JavaScript, and modern frameworks like React.js or AngularJS.
- Integrated APIs and dynamic data to enhance functionality and interactivity of web applications.
- Utilized Bootstrap and CSS preprocessors (e.g., SASS) to create clean, scalable stylesheets and layouts.
- Optimized web application performance, reducing load times by implementing best practices in coding, asset management, and caching.
- Architected and implemented robust server-side applications using Python, ensuring reliable communication between frontend and backend systems.

Vipul LTD. - Ludhiana , Punjab

Jan 2022 - May 2023

Graphic Designer

- Design Creation:** Develop and create designs for various media platforms, including digital (social media, websites, email campaigns) and print (brochures, posters, packaging).
- Brand Consistency:** Maintain brand consistency across all projects while adhering to established guidelines.
- Visual Storytelling:** Conceptualize and design visuals that effectively communicate messages and ideas.
- Collaborative Work:** Work closely with cross-functional teams to understand project requirements and deliver designs that meet objectives.
- Image Editing:** Edit and retouch images to enhance visual quality and meet project specifications.
